

## M2 Quiz: High Quality Programs

0 OF 10 QUESTIONS REMAINING

### Quiz Content

*Prior to completing this quiz, make sure you have completed the associated Learning Activities and Practices Exercises in the module.*

This quiz covers topics related to high quality programs. There are 10 multiple choice questions worth one point each, for a total of 10 points. There is no time limit on the quiz and you can take it up to **two** times. Your highest score will be recorded in the Blackboard grade book.

**Note: This test is set to Force Completion.** Once you begin the test, you will not be able to save your answers, exit, and return. You must finish the test in one sitting.

**Do NOT use mobile devices to submit course work or take exams as unexpected results may occur.**

### Question 1

1 Point

Which error produces incorrect results but does not prevent the program from running?

- ☒ A Syntax
- ☐ B Logic
- ☐ C Grammatical
- ☐ D Human

☐ E None of the above
